

Sardis Presbyterian Church

Contemporary Worship Service Vision Statement

Crafted in January 2022 by the Reimagining Contemporary Worship Team

What is our vision?

We envision the Sardis Contemporary Worship Service to be an experience that allows us to connect with one another, be challenged by God's word and be equipped to put our faith into action in the world through an inspiring, welcoming, interactive, joyful and relaxed worship service.

These key elements will help our vision for Sardis' contemporary service come to life:

- **Engage all** ages and backgrounds in **participating** and **leading** worship
- Foster the **building of relationships** with God, with one another and with our community
- Incorporate a **diversity of music styles**.
- **Interactive** messages, worship elements and music that encourage all (in person and online) to actively participate in worship and apply scripture and the beliefs of the PC(USA) to our world today.
- Engaging worshippers in the **mission** ministry of the church during worship.
- A **welcoming** space and worship experience that is intentional about how we welcome our members and visitors of all ages.
